**Tree & Bench Dedication Program – AJ Jolly Park**

The tree and bench dedication program encourages donors to honor, memorialize or celebrate a special person, place or event. At the same time, it improves the beauty and quality of AJ Jolly Park. Tree and bench dedications can be done any time of year. We currently have trees available for dedication along the walking path near the main entrance to the Park. Tree dedications at the Park are \$400 and include a dedication plaque. Benches are \$750 and include a dedication plaque. For more information, contact Jolly Park CDC at [JollyParkCDC@gmail.com](mailto:JollyParkCDC@gmail.com)
