Tree and Bench Dedication Program – AJ Jolly Golf Course

The tree and bench dedication program encourages donors to honor, memorialize or celebrate a special person, place or event. At the same time, it improves the beauty and quality of AJ Jolly Golf Course. Tree and bench dedications can be done any time of year. We currently have trees available for dedication in the median of Terry Jolly Way. Tree dedications at the Golf Course are \$600 and include a large engraved boulder. Benches located on the golf course are \$750 and include a dedication plaque. For more information, contact Jolly Park CDC at JollyParkCDC@gmail.com.
